

Lunch in a wine bar with local wine pairing

Lucca

Days available: Every day at lunch (except Sunday)

Time and meeting place: 12:30 PM, directly at the wine shop

The Pairing as a Dialogue: When wine meets local foods-such as artisanal cured meats, local cheeses, or fresh bread-a harmony is created that enriches the soul. Food does not merely serve to "cleanse" the palate but enhances the nuances of the bottle, making the experience personalized for each guest.

Atmosphere and Sharing: The wine shop offers a warm and welcoming environment where passion becomes shared experience. It is a moment of reflection as well as empathy, where wine acts as a means to rediscover values and traditions.

Upon arrival, you will be seated in this charming wine bar just steps from the city walls. A welcome drink featuring a glass of sparkling wine will be served, followed by a Tuscan appetizer with a platter of bruschetta, cold cuts, and cheeses paired with a glass of red wine. Then choose a first course from the daily menu accompanied by another glass of paired red wine. To conclude, dessert will be served with a glass of passito or another sweet fortified wine.

Individual participation fee: Euro 39.00

There is no minimum number of participants - single guests are also welcome

Tips and extras outside the described menu are not included in the price
